

Seedpods

**Seedpods fell on the footpath
and made a real mess!**

But can you see any hidden shapes here?

Perhaps a Witchetty Grub...

...or a canoe.

How about a mouse...

...or a bunch of flowers?

Worms watching a tiny baby...

...or some stepping stones.

A shark perhaps?

A penguin!

May be a rabbit?

I know...a Toucan!

Blue jeans and brown shoes!

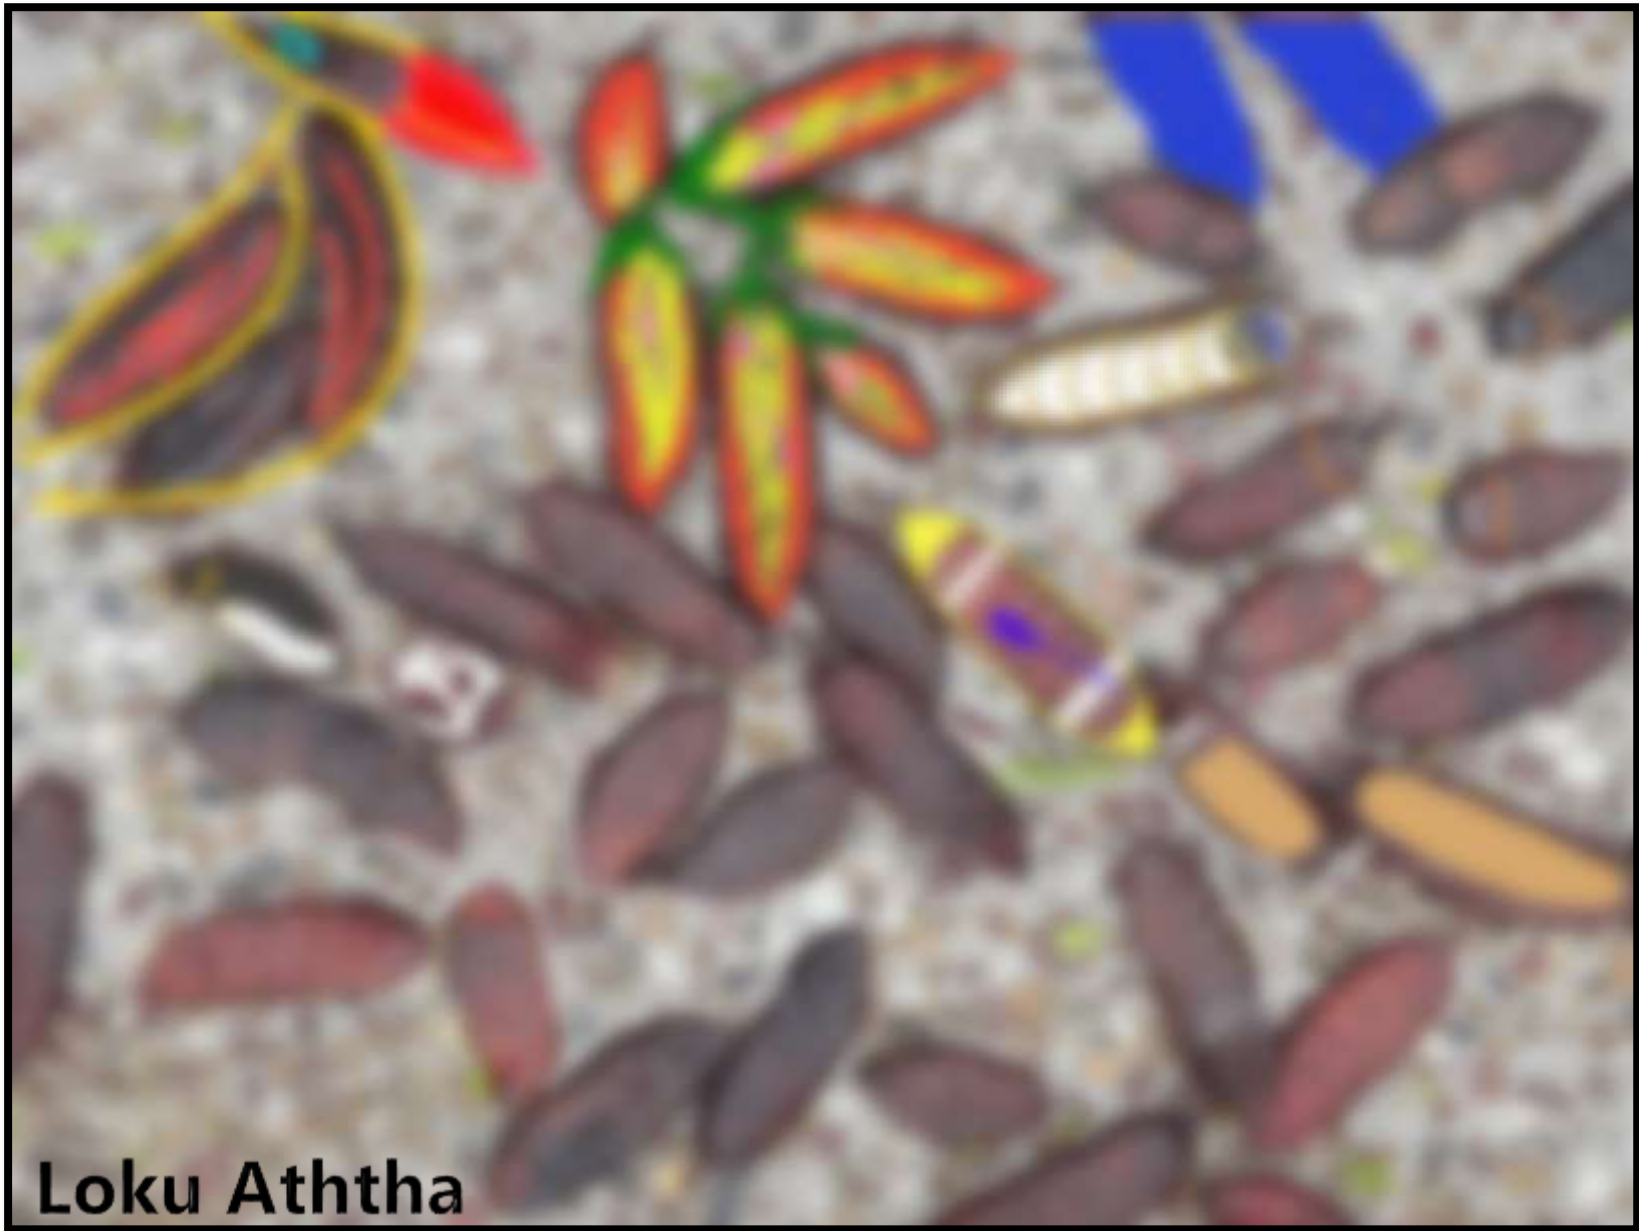

Many shapes – but remember...

...these are on the footpath...

...and these are in your head!
