

I am writing a story

*I have my paper
and my pencil.*

*But how do I
start?*

Let's try a few different starts...

Once upon a time in a country far away, there lived a king.

It didn't rain for a long time and all the animals in the jungle met to decide where to get water.

Tommy thinks bananas are better than watermelon.

Boring...

Not very boring...but hard to do!

I like this one – let's write about Tommy

Tommy thinks bananas are better than
watermelon

*Good start but I
want to know
why?*

Why does Tommy think bananas are better?

Watermelons are watery and messy to eat and the juice makes the hands sticky.

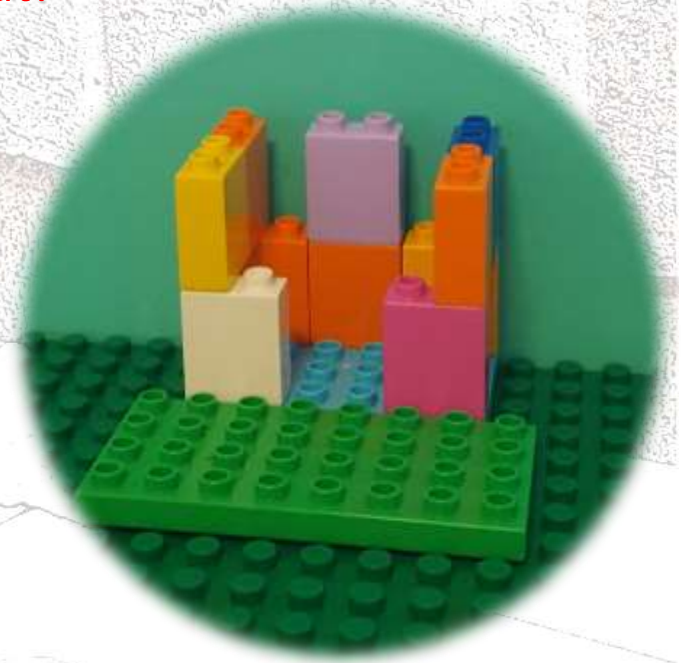

We all know that!

Bananas are easy to carry in the pocket.

So what?

When you take the skin off, bananas look just like maggots. You can have fun with the skins too!

I like this one! Let's go with the maggots!

Tommy thinks bananas are better than watermelon. When you take the skin off, bananas look just like maggots, and you can have fun with the skins too!

What's so good about maggots?

And what fun with skins?

Fun with maggots and banana skins? How?

Tommy told his sister Tammy that he could plant a banana in the ground and get a maggot tree.

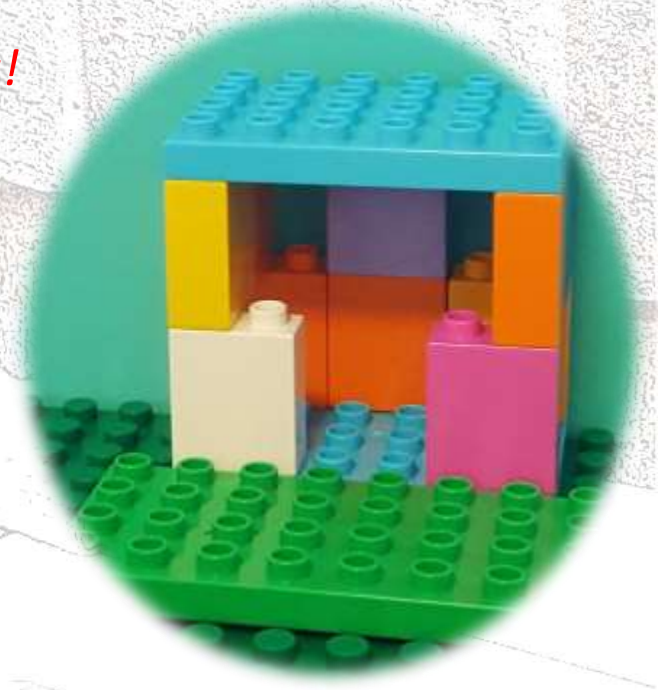

That's just lying!

One day Tommy ate a green banana skin and was sick in the car. He didn't have to go to school that day.

Not interesting

One day, Tommy was eating a banana and he said to his sister Tammy "you want a bit of this maggot – it's really juicy!" Tammy ran away to mummy, crying.

Bit naughty, but good!

Tommy thinks bananas are better than watermelon. When you take the skin off, bananas look just like maggots, and you can have fun with the skins too!

One day, Tommy was eating a banana and he said to his sister Tammy “*you want a bit of this maggot – it’s really juicy!*” Tammy ran away to mummy, crying.

Was mum very angry?

Mummy is not happy...what will she do?

Mummy said “Tommy! You say that you are sorry right now...These are bananas Tammy, not maggots!”

Not angry enough!

Mummy laughed and said “Don’t worry Tammy, only chickens eat maggots!” And Tammy laughed too!

Mum’s funny but not nearly enough

Mummy was coming to scold Tommy when she slipped on the banana skin and sat down on the floor with a “Thump”.

This is it!

***There is
going to
be
trouble!***

***Is mummy
hurt?***

What is mummy going to do?

Tommy was sent to his room and mummy said "I will not buy any more bananas for a month"

Tammy turned on Tommy "See what you did? You are going to get into trouble when Daddy gets home!"

They laughed as Tammy and Tommy went to help mummy stand up. In the end they all laughed and were happy again.

Do you think she will really stop buying bananas?

Tammy shouldn't do that!

That is what happened!

Hey! I think they are happy!

What will they say next?

Well, here it is!

“Oh...my bottom!” said mummy. “I’ll be sore for a month!” she laughed.

Poor mum!

“See what happens when you play jokes on others? You kids will have to promise that you will not do things like this again!” said mummy.

Mum’s angry!!

“Hey Tammy...how about we get a real maggot and make Tommy eat it?” They all laughed some more.

This is a good ending!

I like the story.

We need a name for the story...

Let’s pick one now.

A good name for the story now...

Banana fun

Boring!

Banana, anyone?

Even more boring!

Bananas and maggots

I think this is it!

Bananas and maggots
